Dear Hiring Manager,

I am writing to apply for the Barista position at Boxcar Coffee Roasters. As a Boulder resident and CU Boulder student who has watched Boxcar's reputation grow, I would be glad to bring my experience as a former barista to a team and company known for its craft and consistency.

At Evergreen Cafe, I prepared espresso-based drinks and specialty beverages during high-volume service, ran the POS system, and handled cash and card transactions under pressure. I worked closely with my co-workers to keep the workflow moving during rushes while also maintaining a high standard of cleanliness to keep the workspace and equipment up to health code standards every shift. That experience taught me how integral a well-run bar depends on precision, communication, and teamwork, which are all qualities that Boxcar treats as central to your cafe, shop, and mission.

I'd welcome the chance to bring a combination of hospitality, technical precision, and steady reliability to Boxcar. Thank you for your time and consideration.

Best regards,

Rey Stone
